

AMERICAN
SOCIETY FOR
MICROBIOLOGY

Dear

On behalf of the American Society for Microbiology (ASM), I am pleased to invite you to participate in the 3rd ASM Conference on Prokaryotic Development, July 1 - July 4, 2009 in Cambridge, Massachusetts.

The Society welcomes your attendance and participation and hopes that you will find the program exciting. Unfortunately, ASM is unable to provide financial assistance with this invitation, but again, your participation is valued and appreciated.

Thank you for your interest in this ASM Conference. We look forward to having you join us in July.

Sincerely,

Latonya Nichols, CMP
Conferences Coordinator
