POSITION

California State University, Stanislaus
One University Circle
Turlock, CA 95382

POSITION: **POSITION TITLE & DESCRIPTION:** The Department of Biological Sciences invites applications for a tenure-track assistant professor in microbiology. The primary teaching responsibilities of the person appointed to this position are general microbiology (bacteriology) and associated laboratories, medical microbiology, and immunology. The ability to teach cellular and molecular biology or other courses in the successful candidate's area of expertise is desirable. Other possible course assignments are non-major and major biology courses, including introductory biology and evolution, based upon the qualifications of the individual hired and the need of the department. The individual hired for this position will advise biology majors in the clinical laboratory science option and act as liaison to the clinical community. Additional duties will include research and related scholarly activities and service including academic advising and serving on departmental and university committees.

MINIMUM QUALIFICATIONS: The minimum education requirement is a Ph.D. or equivalent in microbiology or related field. ABD candidates will be considered, but they must complete their doctoral degree before appointment.

PREFERRED QUALIFICATIONS: The ideal candidate will have post-doctoral experience and demonstrated expertise in area of specialty, evidence of interest in teaching and teaching excellence, a record of research productivity and the potential to secure research funding. Preference will be given to candidates with specialization in medical microbiology or microbial pathogenesis. Evidence of teaching excellence at the college-level in microbiology, including general microbiology, medical microbiology, immunology, and cellular and molecular biology is also desirable.

HOW TO APPLY & DEADLINE: A complete application consists of a letter addressing the position to which you are applying and your qualifications, a curriculum vitae, statements of teaching philosophy and research interests, complete set of transcripts, and the names, addresses, telephone numbers and email addresses of at least three professional references. Three reference letters must be submitted upon request and official transcripts are required at the time of hire. Completed application files will be reviewed as they are received. Complete applications will be considered until the position is filled.

Send applications and other correspondence concerning these positions to:

My Lo Thao, Search Committee Chair
Department of Biological Sciences
California State University, Stanislaus
One University Circle
Turlock, CA 95282

COMPENSATION: Commensurate with education and experience. As a member of the 23-campus California State University System, we offer an extremely competitive benefits package.

ABOUT THE DEPARTMENT: The Department of Biological Sciences is housed in the new, state-of-the-art 110,000 square foot Naraghi Hall of Science and offers programs of study in the life sciences for students seeking a Bachelor of Arts or a Bachelor of Science in Biological Sciences, or a Master of Science in Ecology and Sustainability, Master of Science in Marine Science, or Master of Science in Genetic Counseling.
