

Desert Regional Medical Center has provided a full range of quality medical care to one of the world's most famous resort area since 1951. Our 367 bed acute tertiary care facility is fully accredited by the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO), the nation's oldest and largest hospital accreditation agency.

We are located in **Palm Springs, California**, historically renowned as a legendary celebrity getaway and resort community. The dramatic desert environment offers spectacular views of the beautifully landscaped gardens, royal palms, majestic mountains and clear blue skies. Palm Springs and the fast-growing surrounding areas offer a variety of well-known restaurants, shops, cultural activities such as theater, museums and film festivals, and outdoor recreation including championship golf, tennis, hiking and horseback riding.

We currently have a full-time opening for **Medical Technologist**.

The successful candidate will have the following duties and responsibilities:

- Record, prepare, perform, evaluate & report various chemical, microscopic, microbiologic, hematologic or serologic tests to obtain data for use in diagnosis and treatment of disease.
- Communicate with physician and other appropriate staff concerning procedures, results, and their interpretation.
- Train new employees in departmental procedures and theories as assigned.
- Procure some specimens (bleeding times) and/or evaluates appropriateness of specimens received for testing.
- Prepare stains and reagents as needed.
- Maintain inventory records and rotates supply stocks.
- Operate, calibrate and maintain laboratory equipment.
- Perform and record necessary quality control procedures and participates in quality assurance programs.
- Participate in and/or coordinates technical projects and the development of departmental procedures as appropriate.
- Coordinate subspecialty areas as assigned.

Requirements:

- Formal education - Bachelor's degree (or equivalent) in Medical Technology or related science with State of California licensure in medical technology or categorical area.
- Must have Microbiology experience.

When you join the **Desert Regional Medical Center** team, you will receive a competitive salary and benefits, including 401(k) matching funds, hospitalization, dental and vision.
