2018 ASM's Conference for Undergraduate Educators (ASMCUE) Microbrew Submission Form - Deadline April 2, 2018

The 25th Annual ASM Conference for Undergraduate Educators (www.asmcue.org) will be held July 26-29, 2018, in Austin, Texas, USA at the Renaissance Austin Hotel. The ASMCUE 2018 Program Committee invites abstracts that share ideas and thoughts on best practices in any of the subdisciplines in the biological sciences.

Please review all the guidelines before submitting this form:

Assigned presentation times will be sent to the presenting author once an abstract is accepted to the conference. Due to the large number of submissions, we are unable to accommodate requests to be scheduled in a specific session.

Candidates interested in presenting a Microbrew (15-minute oral presentation) at ASMCUE 2018 must complete the form* below by 11:59 p.m. PST on April 2, 2018.

*The online form must be completed in one sitting. The process may NOT be started, saved, and returned to at a later time. Please direct questions about the proposal submission and review processes to asmcue@asmusa.org.

Questions marked with a red asterisk (*) are required.

* Required

1. Presenting Author: Last Name *

2. Presenting Author: First Name *

3. Presenting Author: Institution *

4. Presenting Author: Email *

5. Please list all abstract authors and the institutions they represent: First and Last Name of all Authors, Author Institution(s), City, State, Country (if outside the USA)
Sample: Larry Scientist(1), Dwane Microbiologist(1), and Samantha Educator(2), (1)Perfect University, Perfect, DC and (2)Fabulous Community College, Fabulous, KS.
6. Abstract Title (Use Title Case)
Please use the following capitalization schema:
This Abstract is About the Most Successful Active Learning Activity Ever Created

7. Activity Appropriateness *
Please select one of the following choices:
Mark only one oval.

☐ Classroom
☐ Laboratory
☐ Out-of-Class Activity

8. Abstract *
Please provide a concise summary of the topic to be discussed in 300 words or less.

9. Intended Audience *
Please note the audience(s) for which your topic will be appropriate:
Check all that apply.

☐ Microbiology/Biology Majors
☐ Allied health majors
☐ Science education majors
☐ Nonmajors
☐ All of the above

10. Core Concepts *
Please select up to two concepts from the ASM Recommended Curriculum Guideline related to your submission:
Check all that apply.

☐ Evolution
☐ Structure and function
☐ Pathways
☐ Information flow
☐ Systems
☐ Impact of microorganisms
☐ Advancing STEM education and research
☐ Laboratory competencies
11. Please ascribe up to THREE keywords to your proposed presentation. Only use ‘Other’ if you truly cannot categorize your work into the provided categories.
Check all that apply.

- Affective learning (e.g., beliefs, values, attitudes, interest, motivation)
- Cultural competence, equity, and diversity
- Faculty/postdoc/graduate student professional development
- Formative and/or summative assessment
- Institutional/disciplinary transformations (e.g., first-year programming, concept inventories)
- Instructional innovation (i.e., small- or large-scale course reform efforts)
- Laboratory instruction (e.g., inquiry; CUREs)
- Metacognition and self-regulated learning
- Online/hybrid/flipped classrooms
- Quantitative and/or qualitative reasoning skills
- Research experiences for undergraduates (REU programs)
- Scientific process skills (e.g., experimental design skills)
- Other: ____________________________

12. Do you need technology for your Microbrew? *
A/V equipment is NOT provided in Microbrew session rooms. However, exceptions may be made if presenters must demo something online that is relevant to the presentation. Please make sure your abstract explains what you will demo and indicate your technology needs below. We cannot guarantee the appropriate technology but will do our best to accommodate presenters.
Mark only one oval.

- [ ] I DO need technology for an online demonstration.
- [ ] I DO NOT need technology for an online demonstration.
